

ASSISTIVE TECHNOLOGY FOR EVERYDAY LIVES MARCH 1, 2022 1:00 PM – 2:30 PM

Presenters: Cyrena Theurer, Assistive Technology Specialist with United Cerebral Palsy of Central Pennsylvania

Tom DiAgostino, Outreach and Training Coordinator for TechOWL at the Institute on Disabilities at Temple University

Please join the Advocacy Alliance's South Central Health Care Quality Unit as we welcome Cyrena Theurer and Tom DiAgostino for a presentation on the multiple assistive technology programs and resources available to support individuals who have disabilities in Pennsylvania in living an Everyday Life.

To register for this free, live online training, please email Katie Freeman at kf1@theadvocacyalliance.org by February 23, 2022. **All registrations must be done via email.**

Once you have registered, you will receive an email invitation to the event, including a link which you will use to access the training on March 1st. After the training, certificates of attendance will be emailed to the address you used to register.

If you plan to have multiple individuals attend from one location, please indicate that at registration.

If you have questions or concerns please feel free to contact Katie Freeman by email at kf1@theadvocacyalliance.org or by phone at 717-835-2281.
